GETTING THE JOB DONE IS EVEN EASIER.

Introducing the TANK™ S, the revolutionary Zero-Turn Mower with synchro-steer technology.

The patented four-wheel steering provides complete control of the front wheels which makes this Zero-Turn more manoeuvrable and stable on any terrain.

With a 31HP* Kawasaki® V-Twin OHV engine and a large 152cm (60") deck, the TANK™ S will take you places.

CUB CADET® COMMERCIAL
WE MEAN BUSINESS.
Stain resistant* pavers, perfect for the budding Pro Hart in your family.

Riviera™
CLAY PAVERS
freedom

Less cleaning, more living, that’s freedom!
Sit back and relax outdoors with Riviera Freedom Clay Pavers. Along with their remarkable durability, Riviera Freedom pavers have the added advantage of stain resistance. Their unique paveshield coating ensures that stains will only sit on the surface and not penetrate the paver itself. Quite simply, this means less time cleaning up and more time relaxing.

With excellent slip resistance and salt safe qualities Riviera Clay Pavers are ideally suited for use around chlorinated pools and high traffic entertaining areas. The six earthy tones, contemporary 300mm design and stain resistance of paveshield makes Riviera Freedom pavers your first choice for low maintenance outdoor living.

Paveshield® the revolution has arrived!
Paveshield is a revolutionary surface treatment that resists staining. Thorough stain resistance* testing has shown oils, paint, tan back, tyre marks, crayons and food stains, can be cleaned off even after several days with soap, water or household cleaners. Paveshield also prohibits the growth of mould and mildew.

*Full details of our stain resistance list can be found on our website www.australbricks.com.au
