TASMANIA’S LOCAL GOVERNMENT LEADERS

Meet Tasmania’s Local Government leaders from councils across the state. With changes as a result of the 2009 Local Government Elections and the movement of several general managers in recent months, it is a pleasure to welcome a number of new faces to the sector. If you are a newly elected member, or you struggle to recall who’s who in Local Government at meetings and events, we encourage you to tear these pages out and keep them as a handy reference.

Don’t leave your grass dissatisfied with a basic cut, manicure it with the reliability and quality of a Kubota. Only Kubota mowers incorporate advanced features like counter rotating blades in the T Series for super efficiency, while the Kubota Zero turn mowers are built tougher than most to cope with just about any challenge. Or if you have large open spaces to mow, you can’t go past the proven F series. No matter the size of your green, there’s a reliable Kubota petrol or diesel mower that’s perfect for the task.
