#### **General Management Committee Report**

The General Management Committee submits the special purpose financial report of the Local Government Association of Tasmania (the Association) for the year ended 30 June 2018.

#### **General Management Committee**

The names of the committee members in office during 2017/18 financial year are:

| President      | Mayor Doug Chipman       | (Elected July 2015)                         |
|----------------|--------------------------|---|
| Vice President | Mayor Daryl Quilliam     | (Elected July 2012)                         |
|                | Mayor Jan Bonde          | (Member Resolution March 2018)              |
|                | Mayor Christina Holmdahl | (Elected July 2015)                         |
|                | Mayor Stephen Martin     | (Elected July 2017, Resigned March 2018)    |
|                | Lord Mayor Sue Hickey    | (HCC rejoined the Association January 2015, |
|                |                          | Resigned March 2018)                        |
|                | Alderman Heather Chong   | (Elected July 2016)                         |
|                | Mayor Tony Bisdee        | (Elected December 2016)                     |
|                | Mayor Mick Turner        | (Elected January 2017)                      |
|                | Lord Mayor Ron Christie  | (Appointed March 2018)                      |

#### **Principal Activity**

The principal activities of the Association during the year were to undertake the responsibilities of the Association as described in the *Local Government Act 1993* and in the rules of the Association. This included participation in intergovernmental relations with the State and Commonwealth Governments to represent the views of Local Government, particularly in areas of structural and legislative reform. Additionally, the Association provided a range of services for Councils to facilitate access to services and achieve better economies of scale. The Association has provided these services at a discounted subscription as part of a fiscal strategy to reduce the Association's cash holdings.

LGAT Assist is part of the Association but is managed by a Board appointed by the General Management Committee. This Board has engaged and funded the Association to provide administration services to LGAT Assist. LGAT Assist provides loans to employees of local government authorities at a competitive interest rate. The Income Statement and the Balance Sheet of LGAT Assist are shown separately within this Special Purpose Financial Report.

#### **Operating Result**

The net surplus from general operations amounted to \$116,204 (2016/17 \$224,924). The net deficit from LGAT Assist amounted to \$19,916 (2016/17 deficit of \$29,000).

#### **General Management Committee Members' Benefits**

No committee member has received or become entitled to receive, during or since the end of the financial period, a benefit because of a contract made by the Association, with a committee member, a firm of which a committee member is a member or an entity in which a committee member has a substantial financial interest.

Signed at Hobart, this 14<sup>th</sup> day of September 2018 in accordance with a Resolution of the General Management Committee.

**Mayor Doug Chipman** 

Doug Chipman

President

# LOCAL GOVERNMENT ASSOCIATION OF TASMANIA STATEMENT BY THE GENERAL MANAGEMENT COMMITTEE

In the opinion of the members of the General Management Committee of the Association:

- 1 (a) the Association is not a reporting entity; and
  - (b) the financial statements and notes thereto, set out on pages 5 to 23, are drawn up, in accordance with the basis of accounting described in Note 1(a), so as to present fairly the financial position of the Association as at 30 June 2018 and its performance, as represented by the results of its operations and its cash flows, for the financial year ended on that date.
- At the date of this statement, there are reasonable grounds to believe that the Association will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the General Management Committee and is signed for and on behalf of the Committee.

**Mayor Doug Chipman** 

Doug Chipman

President

# Statement of Comprehensive Income for the Year Ended 30 June 2018

# Notes to the Financial Report for the Year Ended 30 June 2018

#### Note 1 Significant accounting policies

The following is a summary of the material policies adopted by the Local Government Association of Tasmania (Association or LGAT) in the preparation of the Special Purpose Financial Report.

#### (a) Basis of accounting

In the opinion of the General Management Committee, the Association is a non-reporting entity and prepares a Special Purpose Financial Report to meet the information needs of members and the requirements of the *Local Government Act 1993*. This Special Purpose Financial Report has been prepared on an accruals basis and is based on historical costs and, except where stated, does not take into account changing money values, or fair values of non-current assets.

Unless otherwise stated, all accounting policies are consistent with those applied in the prior year. Where appropriate, comparative figures have been amended to accord with current presentation, and disclosure has been made of any material changes to comparatives.

This Special Purpose Financial Report has been prepared in accordance with the requirements of the following Australian Accounting Standards:

| AASB 101  | Presentation of Financial Statements                            |
|-----------|---|
| AASB 107  | Statement of Cash Flows   |
| AASB 108  | Accounting Policies, Changes in Accounting Estimates and Errors |
| AASB 110  | Events after the Balance Sheet Date                             |
| AASB 116  | Property Plant and Equipment                                    |
| AASB 119  | Employee Benefits   |
| AASB 136  | Impairment of Assets  |
| AASB 137  | Provisions, Contingent Liabilities and Contingent Assets        |
| AASB 138  | Intangibles   |
| AASB 1004 | Contributions   |
| AASB 1031 | Materiality   |
| AASB 1048 | Interpretation of Standards                                     |

Where appropriate, these accounts have applied the not-for-profit exemptions of these standards. No other applicable Accounting Standards, Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

Where necessary, comparatives have been reclassified and repositioned for consistency with current year disclosures.

#### (b) Association and LGAT Assist Operations

The general operations of the Association and of LGAT Assist have been separated in the special purpose financial report to better reflect the trading and net assets of the two operations. It is the view of the Committee that the separate disclosure of the operations facilitates the readers understanding of the operations of the Association and enhances the true and fair nature of the accounts. The LGAT Assist operations are separately funded for a specific purpose and are not available for the general operations of the Association.

# Notes to the Financial Report for the Year Ended 30 June 2018

#### (c) Revenue recognition

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers. Revenues are recognised at fair value of the consideration received net of the amount of goods and services tax (GST). A provision for impairment is recognised when collection in full is no longer probable.

#### Government Grant and Contributions

Revenue is recognised when the Association obtains control of the grants/contributions or the right to receive the grants/contributions, it is probable that the economic benefits comprising the grants/contributions will flow to the Association and the amount of the grants/contributions can be measured reliably.

If conditions are attached to the grants/contributions which must be satisfied before the Association is eligible to receive control of the contribution, the recognition of the grants/contributions as revenue will be deferred until those conditions are satisfied.

When grants/contributions are received and the Association incurs an obligation to deliver economic value directly back to the contributor, these are considered reciprocal transactions and the grants/contributions are recognised in the statement of financial position as liabilities until the services have been delivered to the contributors. Where grant/contributions are received where there is no reciprocal transaction and control of the monies has been established by the Association these funds are recognised as revenue on receipt.

#### Subscriptions

Subscription revenue is recognised in the financial year to which it applies.

#### Interest

Interest revenue is recognised as it accrues using the effective interest method. The effective interest method allocates the interest income to be received over the period which it accrues.

#### Disposal Proceeds

The gain or loss on disposal of all fixed assets is determined as the difference between the carrying amount of the asset at the time of disposal and the proceeds of disposal. The gross proceeds of asset sales are not recognised as revenue, rather a net gain on disposal is recognised in revenue and a net loss on disposal is recognised in expenditure.

#### (d) Depreciation and amortisation of property, plant and equipment and intangibles

The depreciable amount of building and improvements is depreciated on a straight line basis over the useful lives of the assets commencing from the time the asset is held ready for use. Motor vehicles are depreciated on a diminishing value basis. Plant and equipment are depreciated using both straight line and diminshing value methods. Depreciation rates are reviewed annually to ensure they accurately reflect the consumption of the service potential embodied in the assets. Current rates of depreciation are:

|                                | 2018   | 2017   |
|--------------------------------|--------|--------|
| Property                       | 2.50%  | 2.50%  |
| Motor Vehicles                 | 22.5%  | 22.5%  |
| Office Furniture and Equipment | 10-36% | 10-36% |

Intangible assets consist of computer software which is amortised on a straight line basis at the rate of 40% per annum.

# Notes to the Financial Report for the Year Ended 30 June 2018

#### (e) Taxation

The financial report has been prepared on the basis that the Association is a non-taxable entity. In the opinion of the General Management Committee, the Association is exempt from tax because it is an Association of Local Governments which is exempt from tax under the *Local Government Act 1993*.

#### (f) Goods and services tax

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables are stated with the amount of GST included. The net amount of GST recoverable from or payable to the ATO is included as a current asset or liability in the Balance Sheet.

Cash flows are included in the Statement of Cash Flows on a gross basis. The GST components of cash flows arising from investing and financing activities which are recoverable from or payable to the ATO are classified as operating cash flows.

#### (g) Cash and cash equivalents

Cash and Cash Equivalents in the statement of financial position comprise cash at bank and in hand and short-term deposits with an original maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents include cash on hand, deposits at call, and other highly liquid investments with original maturities of three months or less, net of outstanding bank overdrafts.

#### (h) Financial assets

Term Deposits

The investments of the Association and of LGAT Assist comprise term deposits at financial institutions. Term deposits held with financial institutions are stated at nominal value. Term deposits with maturity dates greater than 12 months are recognised as non-current investments. The carrying amount of investments is reviewed annually by the General Management Committee to ensure it is not in excess of the recoverable amount.

#### Financial Assets - LGAT Assist Loans

LGAT Assist loans are made only to local government employees and are repayable on demand. These loans are not secured. The term of the loan and the amount available are limited by the years of service of the employee. The maximum loan is \$7,500 and the maximum term 5 years. Interest rates can be varied from time to time by the LGAT Assist Board and as at 30 June 2018 are set at 8.5% (2017 8%) for general purpose loans. These loans are designated as financial assets held to maturity and are therefore brought to account at cost. An impairment provision is recognised when the Board has determined that there is objective evidence that the loan may not be repaid in full.

# Notes to the Financial Report for the Year Ended 30 June 2018

#### (i) Trade and other receivables

Trade and other receivables are recognised and carried at original invoice amount. An estimate for impairment is made when the collection of the full amount is no longer probable. Receivables are written off when it is determined that repayment is no longer probable. Trade debtors and other receivables are non-interest bearing and generally on 30 day terms.

#### (j) Property, plant and equipment and intangible assets

Property, plant and equipment is measured at cost less depreciation and any impairment losses. Intangible assets consist of computer software and are recorded at cost less amortisation.

The purchase method of accounting is used for all acquisitions of assets, being the fair value of assets provided as consideration at the date of acquisition plus any incidental costs attributable to the acquisition. Fair value is the amount for which the asset could be exchanged between knowledgeable willing parties in an arm's length transaction.

At each reporting date, the Association reviews the carrying values of its plant and equipment and intangible assets to determine whether there is any indication that those assets have been impaired. If any indication of impairment exists, an estimate of the asset's recoverable amount is calculated. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. Recoverable amount is the higher of an asset's fair value less costs to sell and value in use.

#### (k) Trade and other payables

Trade and other payables represent liabilities for goods and services provided to the Association and LGAT Assist prior to the end of the financial year that are unpaid and arise when the entities become obliged to make future payment in respect of purchases of these goods and services. Payables also include liabilities for wages and salaries and associated employee expenses accrued at the end of the financial year.

Trade and sundry creditors are non-interest bearing and are normally settled on 30 day terms.

#### (I) Employee benefits

Wages and salaries

Liabilities for wages and salaries are recognised and measured as the amount unpaid at balance date and include appropriate oncosts such as workers compensation and payroll costs.

#### Annual leave

Annual leave entitlements are accrued on a pro rata basis in respect of services provided by employees up to balance date. Annual leave expected to be paid within 12 months is measured at nominal value based on the amount, including appropriate oncosts, expected to be paid when settled.

Annual leave expected to be paid later than one year has been measured at the present value of the estimated future cash outflows to be made for these accrued entitlements. Commonwealth bond rates are used for discounting future cash flows.

# Notes to the Financial Report for the Year Ended 30 June 2018

#### Employee benefits (cont'd)

Sick Leave

Expenses for non-accumulating sick leave are recognised when the leave is taken and are measured at the rates paid or payable. The Association does not accrue sick leave as experience indicates that, on average, sick leave taken in each reporting period is less than the entitlement accruing in that period, and this experience is expected to continue.

#### Long service leave

Long service leave entitlements payable are assessed at balance date having regard to expected employee remuneration rates on settlement, employment related oncosts and other factors including accumulated years of employment, on settlement, and experience of employee departure per year of service.

Long service leave expected to be paid within 12 months is measured at nominal value based on the amount expected to be paid when settled. Long service leave expected to be paid later than one year has been measured at the present value of the estimated future cash outflows to be made for these accrued entitlements. Commonwealth bond rates are used for discounting future cash flows.

Long service leave expected to be paid later than one year has been measured at the present value of the estimated future cash outflows to be made for these accrued entitlements. Commonwealth bond rates are used for discounting future cash flows.

#### Classification of employee benefits

An employee benefit liability is classified as a current liability if the Association does not have an unconditional right to defer settlement of the liability for at least 12 months after the end of the period. This would include all annual leave and unconditional long service leave entitlements.

#### (m) Contingent assets, contingent liabilities and commitments

Contingent assets and liabilities are not recognised in the Statement of Financial Position, but are disclosed by way of a note and, if quantifiable, are measured at nominal value. Contingent assets and liabilities are presented inclusive of GST receivable or payable respectively.

Commitments are not recognised in the Statement of Financial Position. Commitments are disclosed at their nominal value and inclusive of the GST payable.

#### (n) New Accounting Standards for Application in Future Periods

Accounting Standards issued by the AASB that are not yet mandatorily applicable to the Association, together with an assessment of the potential impact of such pronouncements on the Association when adopted in future periods, are discussed below:

AASB 9: Financial Instruments and associated amending standards (applicable to annual reporting periods beginning on or after 1 January 2018)

The Standard will be applicable retrospectively and includes revised requirements for the classification and measurement of financial instruments, revised recognition and derecognition requirements of financial instruments, and simplified requirements for hedge accounting.

# Notes to the Financial Report for the Year Ended 30 June 2018

#### New Accounting Standards for Application in Future Periods (cont'd)

The key changes that may affect the Association on initial application include certain simplifications to the classification of financial assets and upfront accounting for expected credit loss. The committee anticipate the adoption of AASB 9 will have an impact on the Association's financial instruments, although the impact is expected to be immaterial. The key changes that may impact the association and initial application include certain implications to the classification of financial assets, upfront accounting for expected credit loss.

The association will establish a AASB9 project team to asses the impact of AASB9.

# AASB 15: Revenue from Contracts with Customers (applicable to annual reporting periods on or after 1 January 2018)

When effective, this Standard will replace the current accounting requirements applicable to revenue with a single, principles-based model. Apart from a limited number of exceptions, including leases, the new revenue model in AASB 15 will apply to all contracts with customers as well as non-monetary exchanges between entities in the same line of business to facilitate sales to customers and potential customers.

The core principle of the Standard is that an entity will recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for the goods or services. To achieve the objective, AASB 15 provides the following five step process:

- Identify the contract(s) with a customer;
- Identify the performance obligations in the contract(s);
- Determine the transaction price;
- Allocate the transaction price to the performance obligations in the contract(s); and
- Recognise revenue when (or as) the performance obligations are satisfied.

The transitional provisions of the Standard permit an entity to either: restate the contracts that existed in each prior period presented per AASB 108: Accounting Policies, Changes in Accounting Estimates and Errors (subject to certain practical expedients in AASB 15); or recognise the cumulative effect of retrospective application to incomplete contracts in the date of initial application.

The Committee anticipate that the adoption of AASB 15 will have an impact on the Association's financial statements and the impact is expected to be material. The committee will form a working group to asses the impact of the adoption of the standard.

### Notes to the Financial Report For the Year Ended 30 June 2018

#### Note 12 Financial risk management objectives and policies

The Association's and LGAT Assist's principal financial instruments comprise receivables, payables, cash and short and long term deposits, and financial assets.

Both entities manage their exposure to key financial risks, including interest rate and credit risk, by adherence to management policy.

#### Credit risk

Credit risk arises from the financial assets of the Association and LGAT Assist, which comprise cash, cash assets, trade and other receivables and LGAT Assist loans. The exposure to credit risk arises from potential default of the counter party, with a maximum exposure equal to the carrying amount of the financial assets.

The Association does not have any material credit risk exposure to any single debtor or group of debtors under financial instruments entered into by the Association.

LGAT Assists' credit policy of lending only to local government employees to the maximum value of \$7,500 over 5 years reduces the risk profile of the lending provided. There is no security held against these loans.

The Association's and LGAT Assist's exposure to interest rate risks is limited to the extent that interest revenue provides both operations with material revenue. LGAT does not have any external lending.

Term deposits are managed to maximise the interest revenue to LGAT within the confines of the cashflows of the organisation.

Interest rates applied to LGAT Assist loans are made with reference to market rates.

As at 30 June 2018 it is estimated that a decrease of one percentage point in interest rates would decrease the LGAT Assist's interst received by approximately \$3,143 (2016/17 \$3,320). An increase in an interest rate of one percent would have the same but opposite impact.

As at 30 June 2018 it is estimated that a decrease of one percentage point in interest rates would decrease the LGAT General's interest received by approximately \$21,827 (2016/17 \$18,308). An increase in an interest rate of one percent would have the same but opposite impact.

#### Liquidity risk

Liquidity risk arises from the financial liabilities of LGAT and LGAT's ability to meet their obligations to repay their financial liabilities as and when they fall due.

LGAT's liabilities are limited to normal trading and operational liabilities. The organisation is highly liquid and therefore has very limited liquidity risk exposure.

#### Note 13 Superannuation

During the year the Association made the required superannuation contributions for all eligible employees to an appropriate complying superannuation fund as required by the Superannuation Guarantee (Administration) Act 1992:

#### Note 14 Subsequent events

No matters or circumstances have arisen since the end of the financial year which significantly affect the operations or the financial position of the organisation.

#### Note 17 Commitments

At 30 June 2018 the Association had no outstanding commitments.

#### Note 18 Fair Value Measurements

The Association measures and recognises the following assets and liabilities at fair value on a recurring basis after initial recognition:

- Financial assets at fair value through profit or loss;
- Freehold land and buildings.

#### Fair value hierarchy

AASB13: Fair Value Measurement requires the disclosure of fair value information by level of the fair value hierarchy, which categorises fair value measurements into one of three possible levels based on the lowest level that an input that is significant to measure can be categorised into as follows:

| Level 1 | Measured based on quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.   |
|---------|--|
| Level 2 | Measurements based on inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. |
| Level 3 | Measurements based on unobservable inputs for the asset or liability.  |

The following table provides the fair value of the Association's assets and liabilities measured and recognised on a recurring basis after initial recognition and their categorisation within the fair value hierarchy:

|   | 473                   | 1,342  |

#### **Independent Auditor's Report**

To Members of the Local Government Association of Tasmania

Report on the Audit of the Special Purpose Financial Report

#### Opinion

I have audited the accompanying financial report, being a special purpose financial report of the Local Government Association of Tasmania (LGAT), which comprises the statement of financial position as at 30 June 2018 and the statements of comprehensive income, changes in equity and cash flows for the year then ended, notes to the financial statements including a summary of significant accounting policies and other explanatory information and the statement of certification by management.

In my opinion, the financial report presents fairly, in all material respects, the financial position of LGAT as at 30 June 2018, and its financial performance and cash flows for the year then ended in accordance with the financial reporting requirements of the Local Government Act 1993.

#### **Basis for Opinion**

I conducted the audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report. I am independent of LGAT in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

The Audit Act 2008 further promotes the independence of the Auditor-General. The Auditor-General is the auditor of all Tasmanian public sector entities and can only be removed by Parliament. The Auditor-General may conduct an audit in any way considered appropriate and is not subject to direction by any person about the way in which audit powers are to be exercised. The Auditor-General has for the purposes of conducting an audit, access to all documents and property and can report to Parliament matters which in the Auditor-General's opinion are significant.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

...1 of 3

#### **Emphasis of Matter - Basis of Accounting**

I draw attention to Note 1(a) to the financial report, which describes the basis of accounting. The financial report has been prepared to assist LGAT to meet the financial reporting requirements of the *Local Government Act 1993*. As a result, the financial report may not be suitable for another purpose. My opinion is not modified in respect of this matter.

#### Responsibilities of the General Management Committee for the Financial Report

The General Management Committee (the Committee) is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the Local Government Act 1993 and for such internal control as they determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee is responsible for assessing LGAT's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless LGAT is to be liquidated or cease operations, or have no realistic alternative but to do so.

#### Auditor's Responsibilities for the Audit of the Financial Report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of LGAT's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee.

...2 of 3

- Conclude on the appropriateness of Committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on LGAT's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusion is based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause LGAT to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

Alex Irwin

Senior Manager, Financial Audit Services
Delegate of the Auditor-General
