# Mayor's Workshop Agenda

Thursday 10 September

- 10.00am** Tea/coffee on arrival
- 10.10am** *Welcome* - LGAT President, Mayor Christina Holmdahl
- 10.15– 11.15 am** **Tourism Tasmania, CEO John Fitzgerald**  
T21 is the partnership between the Tasmanian Government and the tourism industry that sets the strategic direction for the visitor economy across the State. In late 2019 around 500 industry and visitor economy stakeholders met in 18 workshops around the state to discuss the ten-year vision for tourism in Tasmania, informing the 2030 Visitor Economy Strategy. The workshops identified a common vision for a future where our industry is more deliberate in our agenda for responsible and sustainable tourism. Since the COVID pandemic, tourism and hospitality have been hit hard by the measures required to contain coronavirus. The ten-year strategy has now shifted with work focussing on a two-year recovery plan, due for release in August 2020. This will be followed by a longer term plan in later 2022. Anne will discuss the priorities of the recovery plan and the longer-term aspirations for tourism.
- 11.15-12.00pm** **Centacare evolve - CEO Ben Wilson of Centacare Evolve & Belinda Clarke, Executive Manager Social Impact**  
*Collaborating with council to solve the housing crisis and improve individual and community wellbeing*  
CatholicCare Tasmania and Centacare Evolve Housing, a Tier One registered Community Housing Provider provide homes for 5000 plus Tasmanians in over 12 Tasmanian Council areas. Their partnership approach is providing more than affordable accommodation; it is improving communities across Tasmania. A key aspect of their success is recognising that wicked problems such as housing and unemployment, cannot be solved by one organisation or group. Ben and Belinda will share their experience of joining forces with diverse organisations and councils to enable positive social and economic outcomes for the community.

**12.00pm – 12.30pm** Lunch

- 12.30pm – 2.30 pm** **Leadership and Change - Michelle Swallow & Susan Fahey**  
Michelle and Susan of Leadership and Change Consultants will be delivering a *Leadership and Governance* session. Topics covered will include:
- **Effective Leadership** – what is it and do we know we are doing it well?
  - **Governance v Management** – Council role and the General Manager role.

Michelle and Susan have been in leadership and public positions, and are both current directors of governing bodies, requiring a high-level knowledge of governance and interpersonal relationships. They have a unique skill set that can greatly support the performance of councils.
