

107th LGAT Annual Conference
Finding Your Voice
3-5 July 2019

ABOUT THE 107TH LGAT ANNUAL CONFERENCE

LGAT is the peak body for Local Government in Tasmania with our core purpose to advocate on behalf of our members, all 29 Tasmanian Councils. The Annual Conference is our largest and premier event for Local Government in Tasmania - bringing together over 200 key Local Government decision makers including Mayors and Councillors and senior Managers. The three day program includes a large exhibition, and an exciting range of speakers and workshops designed to both inform and inspire Local Government.

The 2019 LGAT Annual Conference theme is "Finding Your Voice" - recognising that Local Government has unique voice, both individually and collectively. The voice of council leaders is a powerful leadership tool that influences our communities, governments and peers. Delegates will be challenged to think about how they harness their authentic voice to support their leadership role, inspire our communities and achieve all we can for our councils and municipalities.

THE 107TH LGAT ANNUAL CONFERENCE IS A STRATEGIC MARKETING OPPORTUNITY WHICH PROVIDES A WIDE RANGE OF SPONSORSHIP AND EXHIBITION PACKAGES

The Local Government sector in Tasmania encompasses over 250 Councillors and over 4,000 employees, with an annual expenditure exceeding \$770 million and \$9 billion in infrastructure assets. With the 2018 Local Government Elections complete, we have seen a significant change in leadership. This, combined with a growing Tasmanian economy, is the opportune time to join us at our Conference where you and your business can have the exclusive opportunity to share your ideas and direct your messages to reach those with influence in Tasmanian Local Government.

Delegate, exhibitor and sponsor numbers increase each year as the conference reputation grows as a key platform for reaching key Local Government representatives.
