

Supply, Fitting, Maintenance and Recycling of Tyres, Tubes and Automotive & Marine Batteries

REQUEST FOR TENDER NO: NPN1.14-2

Description: The National Procurement Network is inviting tenders for the Supply, Fitting, Maintenance and Recycling of Tyres, Tubes and Automotive & Marine Batteries to councils across all of NSW, VIC and TAS.

The National Procurement Network (NPN) is a joint procurement initiative set up in 2005 by the peak Local Government procurement bodies in each state and territory across Australia.

The participating members for this tender include: Local Government Procurement Pty Ltd (**LGP**), Municipal Association of Victoria (**MAV**), and Local Government Association of Tasmania (**LGAT**) representing Local Government in New South Wales, Victoria, and Tasmania respectively. There will be one tender process to coordinate the needs of the three States. The lead agency for this tender is Municipal Association of Victoria (**MAV**).

Obtaining Documentation: Tender documents may be obtained by registering via the E-Tendering Portal: www.tenderlink.com/mav.

Requests for General Information Regarding the Tender: Please contact Fran Miller, via fmiller@mav.asn.au.

Deadline: Tenders close at 2pm, 30 August 2019 Australian Eastern Standard Time (AEST)
