

LGAT Regional Code of Conduct Information and Consultation Sessions

SESSION INFORMATION

LGAT and the Local Government Division are hosting information and consultation sessions to support improving the effectiveness of Local Government Code of Conduct procedures.

Each session will include the same content and will have three parts:

- 1) The Local Government Division will present potential changes and changes underway, to support the Code of Conduct processes and provisions
- 2) Opportunity to provide Local Government feedback on experiences of the Code of Conduct to inform both LGAT and Division policy.
- 3) A discussion on how local level informal dispute resolution could be improved.

Mathew Healey, Director, Policy and Sector Performance and Mike Mogridge, Assistant Director Regulator Services from the Local Government Division, Department of Premier and Cabinet will be facilitating all sessions, with the LGAT CEO or Policy Director also in attendance.
