How did we get to this point?

Planning and funding

- Master Plan by Oculus 2013
- Federal, State and Council funding in 2016

Signature Element 1

- Skywalk
- Ultimate Play Tasmania
- Kompan and Corocord

The skywalk has been located in the Nature Based play area in keeping with the intent of the space (exploring, adventure, risk)

The Play Palette

Selected based on a number of considerations:

- How it relates to the overall concept in terms of the spatial organisation
- The types of play identified by the school groups and community consultations
- The robustness / value for money of each piece
- The inclusivity of each piece
- Consideration of the overall budget and delivering maximum play value for the appropriate allocation of funds.

The Play Palette

- Sensory garden – Freenotes from Imagination Play
- Slides – K & K, Kinderland from Playrope
- Slides – Skywalk slides from Kompan/Ultimate Play
- Junior Swing and accessible seats from Playscape Creations
- 5 bay swing – Kompan/Ultimate Play
- Ladybird House – Lappsett from Playtas
- Ping Pong table – from POPP
- Range of equipment - Kompan/Ultimate Play
- Wobbly sheep, wooden boats, balance bridge, pendulum rope swing, water play – Richter Spielergate from Baron Forge
