

COVID-19

LGAT is currently working closely with the State Government directly and via our role on the Special State Emergency Management Committee in regard to COVID-19.

We are supporting our Members with business continuity planning, specific pandemic management measures and identifying any sectoral issues that need to be addressed with the support of the State Government.

Members are encouraged to contact LGAT with any specific concerns or questions related to Local Government business continuity.

For information regarding COVID-19 please visit the State Government Department of Health Website [here](#).
